Monday Night Skip's Choice League Signup 2010 – 2011

We will make all efforts to guarantee returning teams a spot in next years Skip's Choice League. For returning teams this form is primarily for information purposes so the committee knows how many returning teams to expect. A returning team is made up of either the skip plus one other player OR three other players from the same team where the skip does not return. In the event that a 5-person team breaks into 2 teams the skip will be given first rights and the remaining three players will be listed as a new team. ***Returning teams require at least 2 members to have their Membership application into the OCC by September 15th to guarantee the team's spot in the league.*** Also note that the 6:40 PM early draw is changing it's start time to 6:30 PM. This will assist the ice crew to have enough time to get the ice ready between for the 9:00 PM late draw.
